CORE COMPETENCIES

- Full-Service Video Production: End-to-end production from concept development to post-production.
- Branded Content & Commercials: Creating high-impact commercials and content that align with brand objectives.
- Docu-Style Campaigns: Expertise in producing documentary-style content that tells compelling, authentic stories.
- Social Media Content: High-output, platform-specific content designed for social media, particularly YouTube-first strategies.
- Celebrity-Led Productions: Proven experience in working with top-tier talent for high-profile content.
- Motion Design & Animation: Integration of motion graphics, design, and animation into production to enhance visual storytelling.

PAST PERFORMANCE

Ebeast Studios LLC has delivered impactful content for top brands. For Condé Nast (GQ, Vanity Fair), the company directed celebrity content, achieving 100K+ views per video. At 300 Entertainment, it directed content for multi-platinum artists, generating over 1B views. For Complex Networks, Ebeast produced a Hulu-branded series and DigiDay award-winning campaigns. Additionally, for Nike / Made In Network, the company grew a new YouTube channel by 300% in just 4 months.

COMPANY OVERVIEW

Ebeast Studios LLC, based in Brooklyn, NY, is a premier video production company specializing in high-quality visual storytelling. With over 12 years of experience, the company creates compelling content for global brands, from branded content and commercials to docu-style campaigns and social media-first videos. Led by Executive Producer Xavier Andrews, Ebeast Studios is known for its cultural fluency and ability to deliver impactful, high-output content across fashion, music, documentary, and corporate storytelling. A Black-owned small business, Ebeast Studios is committed to diversity and inclusion, producing viral content with top-tier talent and fostering a national creative network. The company excels at providing fast, polished production solutions for federal agencies, nonprofits, and mission-driven organizations.
